6th March 2019

Parent feedback session

Dear Parents/Carers

Iron Acton School Governing body would like to invite you to join us for an informal feedback session THIS FRIDAY (8th March) at 9am in the school hall for about 45 minutes.

We will be discussing 3 topics:

1. Our Partnership with Hawkesbury Upton School
2. The New Classroom proposal
3. The curriculum offer at Iron Acton

We would love to know your thoughts as this will contribute to our decision making process going forward. We are always happy to hear your opinions and so would welcome any comments on these or other areas via the school office, should you not be able to make it.

Please do come and have a chat or ask me any questions in the playground (I'm pretty much there every morning and afternoon!!!) but look forward to seeing as many of you on Friday as possible.

Ellie Blanch

Chair of Governors

Parents evening

We are half way through our parents evenings. If you were unable to sign up please speak to your child's class teacher as they may be able to make an appointment to discuss your child's progress on a different day.

We are also inviting parents to complete our annual parent questionnaire to provide important feedback about school.

Breakfast club assistant

We have recently welcomed Courtney Powell to the team as breakfast club assistant. Miss Powell will work alongside Mrs Allen each morning to provide additional support for breakfast club as numbers continue to grow.

Star learners

Last week's star learners were:

Kestrels – Victor

Falcons – Lerryn

Eagles – Mason

Golden Eagles – Dublin

Well done to all of our star learners for your hard work and perseverance.

Football match

Our Year 3 and Year 4 children will be playing a match against Hawkesbury on Monday 11th March after school. The match will take place at Iron Acton.

Tesco backpack!

Well done to all of our Year 5 and 6 children who raised a total of £285 towards their residential by assisting shoppers at Tesco last Friday.

All children embraced this opportunity with enthusiasm and positivity and represented the school incredibly well with their mature and responsible attitudes.

STEM week

Next week is STEM week. The children will be working on projects throughout the week which have been created by organisation Enabling Enterprise.

World Book Day

Tomorrow the children will be working in family groups with children from different classes across the school. They will be exploring a text together and taking part in a range of art and drama activities. They will have the opportunity to show their costumes to the rest of the school during assembly.

The Green School, Cambodia

Last week one of our Governors, Di Pardoe, came to talk to the children about her recent visit to The Green School in Cambodia. The children heard about the similarities and differences between the two schools and were captivated by what they heard.

Comic relief

On Friday 15th March, we invite children to wear non-school uniform for the day to raise money for Comic Relief. Donations will be collected in classrooms first thing in the morning. Thank you for helping us to support this important charity.

May Day nominations

Please note: nominations are due in on Friday 15th March. Please send these to the school office. The children will take part in the colouring competition during class time.
