

15th May 2019

Staffing update

I am delighted to inform you that Mrs Lyall is expecting her third child and will commence maternity leave in September. This is fantastic news for Mrs Lyall and her family and we wish them well over the coming weeks and months.

Over the next few weeks we will begin to look for a teacher who will join the staff team whilst Mrs Lyall is away from school.

Mojo Active Outdoor Learning

Outdoor learning day with Mojo Active takes place on Monday 20th May. Please could all children come into school with old clothes and footwear you do not mind them getting wet or muddy.

Books at Bedtime

Please do come and join us for this event if you are able. It takes place on Tuesday 21st May at 4.15pm. Mrs Bagnall sent out another letter earlier in the week with more detail – sign up sheets are on the bench on the playground.

Classroom update

We have been assured by the local authority that our new temporary classroom will be in place by September which is fantastic news. We are hopeful that nothing will hold this process up!

We are now planning that our classroom structure is as follows:

Reception Class

Year 1 & 2 Class

Year 3 & 4 Class

Year 5 & 6 Class

More information will be given later in the year including teachers, teaching assistants and rooms.

North Road football match

Well done and thank you to all of our football players who took part in the match. This is due to be an annual event as part of May Day weekend.

North Road PTA generously donated half of the money collected from the refreshments to Iron Acton which amounted to £43.

May Day

Well done and thank you to all those who came and danced at last week's fantastic May Day. You all did very well. Thank you to all families for your support.

It was great to have Miss Abley and Mrs Hampson leading the dancing this year – I'm sure you will agree that they did very well!

The Friends tombola stall was very busy and raised another good amount for the school.

Parent information session: drugs

Information from Sam Drew who led the information session last week is attached with this newsletter. This includes the PowerPoint Sam used as well as the content of drugs education that children receive at primary school.

Please do come and speak to your child's class teacher if you would like to know any more.

Bag 2 School

Thank you to everyone who supported this. A grand total of £112 for the school.

Keeping fit and healthy: 23rd April – 23rd July

Monday	Daily Mile Wake and Shake	8.45 on the field 8.45 in the hall	Eagles & Golden Eagles Kestrels & Falcons
