

6<sup>th</sup> January, 2019

Welcome to Term 3!

We hope you all had a wonderful Christmas.

Our topic this term is focused around the wild things. We will be kicking it off by looking at the book 'Where the Wild Things Are.' We will be creating a new role play area with the children which we hope will inspire some imaginative writing and play.

We are planning a trip to the Wild Place later on in the term, we'll keep you posted!

We usually do PE on a Wednesday but please ensure your child has named kit in school every day. We try to do PE outside whenever we can so your child will need warm clothes. The children are now much better at changing themselves for PE so thank you for your support with this.

We will be having a big push on reading this term. We have invested in lots of new, exciting books and will be starting regular small group guided reading sessions in Barn Owls. As a school, there is an expectation that children read at home everyday. Please make sure that you write in the comment books every time you share a book with your child. We will be introducing a reward system to celebrate children who read three times a week.

We would also encourage you to go through the red sound book with your child each week asking them to read and write the sounds. This will be of huge benefit to them.

If you have any questions, please do not hesitate to come and speak to one of us.
