

## Buzzards class newsletter Term 6

June 2024

Dear parents and carers,

I hope you all had a restful and relaxing half term ready for the final term of the 2023-2024 Academic Year. We have lots of exciting learning and experiences to look forward to across Term 6. Please keep in mind some important dates listed here.

### PE Kit

Buzzards class will continue to have PE on Tuesdays (First Sports) and Thursday each week. You will need to send your child to school in their PE kit on these days. This includes a red or white t-shirt, black shorts or tracksuit trousers, and trainers. Please also make sure your child has a water bottle. Our curriculum this term focuses on two sports; Cricket and Athletics. I will be teaching Athletics, while First Sports will be teaching Cricket.

### RSE lesson overviews and vocabulary

**Please do speak to your child's class teacher with any questions regarding RSE lessons taught.**

Week / Date	Lesson name	Lesson Outcome	Vocabulary
1. 05/06/24	How Babies Grow	understand that in animals and humans lots of changes happen between birth and growing up, and that usually it is the female who has the baby	Changes Birth Animals Babies Mother Growing up
2 12/06/24	Babies	understand how babies grow and develop in the mother's uterus and understand what a baby needs to live and grow	Baby Grow Uterus Womb Nutrients Survive Love Affection Care
3 19/06/24	Outside body changes	understand that boys' and girls' bodies need to change so that when they grow up their bodies can make babies  identify how boys' and girls' bodies change on the outside during this growing up process	Change Puberty Control

4 26/06/24	Inside body changes	identify how boys' and girls' bodies change on the inside during the growing up process and why these changes are necessary so that their bodies can make babies when they grow up	Puberty Male Female Testicles Sperm Penis Ovaries Egg Ovum/ Ova Womb Uterus Vagina
5 03/07/24	Family stereotypes	start to recognise stereotypical ideas I might have about parenting and family roles	Stereotypes Task Roles Challenge
6 10/07/24	Looking ahead	identify what I am looking forward to when I move to my next class	Change Looking forward Excited Nervous Anxious Happy

### Health Week

The second week back after the Half Term break is Health Week. We have a variety of different workshops for the children to experience including; salad making, smoothie making and more. We encourage children to be as active as possible in this week which could include riding, scooting or walking to school.

We complete our celebration of Health Week with Sports Day on Friday 14<sup>th</sup> June. The events will begin at 1pm and parents and friends are encouraged to come and cheer on their child. There will be a barrier down the middle of the field which we request parents not to cross to get to their children. Please put sun cream on them as they walk to Sports Day if you would like too. We are also on the look-out for 4 gazebos to be used as shade for the 4 different houses to sit under when they are not partaking.

### Year 4 Multiplication tables check

Year 4s Multiplication table check (MTC) is set for the week beginning the 17<sup>th</sup> June. We are preparing the children in school to do as well as possible, please do take the time at home to practise alongside them. Whether it be on TT Rockstars <https://trockstars.com/>, hit the button <https://www.topmarks.co.uk/maths-games/hit-the-button> or the MTC UrBrainy <https://urbrainy.com/mtc>. Please do not hesitate to ask if you have any questions about this.

Yours sincerely,

Mr Taverner.
