Dear Parent/Carer,

Tapestry On-Line Learning Journey

As part of our Early Years provision, we use an online learning journal called **Tapestry** to record and share the class's learning experiences at school. Tapestry allows us to upload photos, videos and observations which build a picture of the class's progress throughout the year. We do this in the form of a class journal.

One of the benefits of Tapestry is that you, as parents and carers, can log in securely to view your child's class learning journey at home, and you can also add your own comments or upload photos of learning and special moments from outside of school. This partnership between home and school provides a richer picture of your child's development.

In order to set this up, we require your consent. Please read the information below carefully and complete the reply slip at the end of this letter.

Important Information:

- Tapestry is a secure system and can only be accessed with a username and password.
- Only you and school staff will have access to your child's account.
- Please do not share any content from Tapestry on social media, as it will contain images of other children.
- You can withdraw your consent at any time by notifying the school in writing.

We hope you will enjoy using Tapestry and seeing your child's learning journey grow throughout their time in Barn Owls.

Thank you for your support,

Alice Wood and Amy Lyall
Barn Owl Class Teachers

Tapestry Consent Form – Barn Owls Class

Please delete as appropriate:

- I **do not** give consent for my child's image to appear in the class journal
- I give consent for my child's image to appear in the class journal

Name of Child:

Signed:Parent / Carer

Email Addresses to use for Tapestry
